## Wine made from Organic Grapes.

Fernskloof cellar is situated in the arid Prince Albert Valley. The name takes after a shady kloof that is abundant with beautiful ferns and stalagmites.

Our wish is that this wine will be an enjoyable experience for you. Here's to health and to all things significant and worth toiling over.

### Fernskloof - Chardonnay

Organic Viticulture

A purposely lighter style Chardonnay- more minerally/racy as opposed to all buttery, yet still a distinctive Chardonnay. Think tropical fruit, some citronella, and a little bit of typical doughiness on the nose.

### Fernskloof - Merlot Cabernet Sauvignon

#### In conversion to organic

This wine shows an abundance of ripe fruit flavours. Roasted oak flavours with hints of vanilla and spice. The tannins are fine in structure, and the wine is full in balance with a lingering fruity finish.

Best with beef, lamb and game dishes cooked in a concentrated sauce full of flavour.

Will also pair well with dishes enhanced with black pepper and cloves. Other great pairings include rich lamb.

# Wine List

Cork Fee R30

## Red Wine

### Pinotage - De Krans

Medium-bodied dry red wine with sweetish plummy fruit, backed by attractive ripe tannins

### Tinta Barocca - Bo Plaas

“Grippy” young red with raspberry and brambles on the nose with hints of fynbos/pepper. Definite aging potential, but yet very approachable now.

Shiraz Cabernet- Karusa An absolute over-delivery of quality at this price point. A dark and rich wine - coffee & chocolate and smooth as silk... Bright and intense crimson red colour.

Loaded with ripe red berry fruit; mulberry, raspberry and red cherry. Soft integration of roasted coffee and light chocolate flavours balanced with a hint of black spice.

A soft smooth but well structured palate.

Shiraz - Bo Plaas - fruit forward with layers of raspberries, blackberries and mixed spices.

A Rhône style Shiraz, an elegant wine with soft ripe tannins.

Well Balanced Wine and can be enjoyed with any meal

### Cabernet Sauvignon - De Krans

Dry red wine typical varietal aroma, backed by attractive tannins and well-balanced wood, which will mature well.

## White Wine

Chardonnay - De Krans- It is a Stylish Chardonnay with the taste and smell of Wood that is integrated With the Citrus Flavor of Chardonnay. It was matured on fermenting lees

For 3 months, which gives these wine extra flavors

Chenin Blanc - De Krans - full-flavoured wine with honeyed summer fruit flavours, and a well-integrated creamy aftertaste.

### Sauvignon Blanc - Bo Plaas

Harvest the grapes at 23-24°B with a yield of 13 ton/ha of Sauvignon Blanc vines.

The Vines are trellised in such a way that all the grapes are shaded to give the wine a grassy green flavour.

Chenin Blanc / Sauvignon Blanc – Karusa The perfect companion to lazy sunny afternoons

spend with friends and family and a tapas styled luncheon... Fresh green limey hue, abundance of ripe tropical fruit – white pear and green apple-litchi and green fig.

Crisp, fresh accessible and easy drinkable with fruity length and balanced sugar: acid ratio.

### Golden Harvest – De Krans

A Complex, Fruity Semi Sweet White blend with a typical late Harvest Character.

Blanc de Noir – Bo Plaas Delightful rosebud *pink colour*,

with cherry on the nose and a pleasantly refreshing off-dry palate.

House Wine glass - Red / Dry White / Semi Sweet White

Dessert Wine / glass – Hanepoot, Muscadel, Sherry & Port.

Champagne / bottle
